**Agreement to Sell and Purchase Energy. This is an agreement between Atlantic Energy MD, LLC (“Atlantic”), an Atlantic Energy MD, LLC – New Jersey Electricity and Natural Gas Supply Variable Price Terms of Service**

Agreement to Sell and Purchase Energy. This is an agreement between Atlantic Energy MD, LLC (“Atlantic”), an independent third party electricity and natural gas supplier, and the undersigned customer (“Customer”) under which Customer shall initiate electricity and natural gas service and begin enrollment with Atlantic (the “Agreement”). Atlantic is licensed by the New Jersey Board of Public Utilities (“BPU”) as a Third Party Supplier to offer and supply electric generation and natural gas supply services in New Jersey. Atlantic’s New Jersey electricity supplier license number is EE16121139L and its natural gas supplier license number is GE16121140L. The BPU regulates distribution prices and services. The Federal Energy Regulatory Commission regulates transmission prices and services. Subject to the terms and conditions of this Agreement, Atlantic agrees to sell and deliver, and Customer agrees to purchase and accept the quantity of electricity and natural gas, as estimated by Atlantic, necessary to meet Customer’s requirements based upon consumption data obtained by Atlantic or the delivery schedule of the customer’s Electric Distribution Company (the “EDC”) and Natural Gas Distribution Company (“NGDC”). Atlantic is not affiliated with and does not represent the EDC or the NGDC. The amount of electricity and natural gas supplied under this Agreement is subject to change based upon data reflecting Customer’s consumption obtained by Atlantic or the utility’s delivery schedule. Your utility will continue to deliver the electricity and natural gas supplied by Atlantic.

Term. The Term shall commence as of the date of the first meter reading following when the change of Customer’s provider to Atlantic is deemed effective by the EDC and NGDC, and shall continue for the period designated in your Contract Summary. The Term for the initial period is referred to as the “Initial Term”. Unless otherwise agreed to, upon completion of an Initial Term, this Agreement will renew on a month-to-month basis with a monthly variable rate methodology with no change to the remaining terms (the “Renewal Term”). At least 30 days and no more than 60 days prior to the renewal date, Atlantic will notify Customer in writing of the terms of renewal of this Agreement and of the Customer’s right to renew, reject or renegotiate this Agreement. Customer shall have 3 business days from receipt of the first billing statement of the Renewal Term to reject renewal terms and cancel the renewal agreement. Customer or Atlantic may cancel or terminate this Agreement by providing 30 days’ advance written notice of termination to the other party.

Cancellation; Early Termination Fee - A customer may cancel this Agreement by contacting ATLANTIC at (800) 917-9133 or by email at [info@atlanticenergyco.com](mailto:info@atlanticenergyco.com). There is no early termination fee. ATLANTIC may cancel this agreement at any time upon providing 30 days written notice to Customer. Common reasons for ATLANTIC to cancel this agreement would include: Non-Payment – If your electricity service is terminated by your EDC, then this agreement is cancelled on the date that your electric service is terminated. You will owe us for amounts unpaid for our charges for electricity generation service up to the date of termination. Customer Move – Atlantic may cancel this agreement upon providing 14 days written notice to Customer if Customer moves outside of an area served by Atlantic or where Atlantic charges a different price. If we cancel this agreement for any reason other than for customer non-payment, we will follow applicable rules in providing notice to you. **Right of Rescission (Residential only)**. You will receive a confirmation notice of your selection of Atlantic as your Third Party Supplier, and residential customers will have seven (7) calendar days from the date of your confirmation notice to contact your utility and rescind your selection of Atlantic Energy. Further, this Agreement shall not be legally binding upon you until the 7-day confirmation period has expired and you have not, directly or indirectly, rescinded your selection within this period. There is no charge for starting or stopping service if done within the terms of this Agreement.

Pricing and Billing. **This is a Variable Rate Agreement**, which means that the rate for electricity and natural gas supplied during the term of the Agreement may change from month to month based on various factors, including weather fluctuations. This is not a Fixed Rate Agreement. Under a Fixed Rate Agreement the rate for electricity and natural gas supplied during the term of the Agreement will remain the same each month during the Term of the Agreement. The price that you will pay per kWh for electricity generation supply may vary from month to month based on the following factors: Atlantic Energy’s actual and estimated costs of obtaining electricity supply from PJM including but not limited to prior period adjustments, inventory and balancing costs, transportation and transmission costs incurred by ATLANTIC, and other market and business related factors such as administrative costs, expenses, and margins. There is no limit on the amount that your price can decrease or increase from month to month. Your ATLANTIC electricity price may be higher or lower than the EDC’s price in any particular month, and there is no maximum price. The variable price for all natural gas sold under this Agreement is established on an approximately monthly basis and is based upon natural gas market pricing from the NYMEX exchange, transportation, and other market and business related factors such as administrative costs, expenses and margins. There is no limit on the amount that your natural gas price can decrease or increase from month to month. Your ATLANTIC natural gas price may be higher or lower than the NGDC’s price in any particular month, and there is no maximum price. Customers can call ATLANTIC at (800) 917-9133 or visit our website at [www.atlanticenergyco.com](http://www.atlanticenergyco.com) for current variable pricing. Please note that historical prices are not

indicative of present or future pricing. Customer will receive one bill each month issued by your Utility, or by Atlantic Energy. Unless otherwise provided herein, payment terms are governed by the terms of your utility's tariff if your utility issues the bill. If Atlantic Energy issues the bill, payment of the full amount billed is due 25 days after the date the bill is mailed. Late payments or partial payment balances will be subject to collection fees and/or reasonable attorney's fees and court cost, as allowed by law. All accounts which are overdue may be referred to a collection agency consistent with New Jersey law. Your bill will be based on scheduled meter readings and/or estimates provided by your utility. Atlantic Energy does not offer budget billing for the supply portion of your bill. The parties agree to accept, for purpose of accounting for the electricity and natural gas delivered under this Agreement, the quantity, quality, and measurement determined by your utility. A twenty-dollar (\$20) fee will be charged for all returned checks.

**Assignment.** Customer may not assign its interests in and delegate its obligations under this Agreement without the express written consent of Atlantic. Atlantic may sell, transfer, pledge, or assign the accounts, revenues, or proceeds hereof, in connection with any financing agreement or receivables purchase program, and may assign this Agreement to another energy supplier, energy services company or other entity as authorized by the BPU.
