1. Agreement to Sell and Purchase Energy. This is an agreement between Atlantic Energy, LLC (“Atlantic”), an independent energy services company, and the undersigned customer (“Customer”) under which Customer shall initiate natural gas and/or electricity service and begin enrollment with Atlantic (the “Agreement”). Subject to the terms and conditions of this Agreement, Atlantic agrees to sell and deliver, and Customer agrees to purchase and accept the quantity of natural gas and/or electricity, as estimated by Atlantic, necessary to meet Customer’s requirements based upon consumption data obtained by Atlantic or the delivery schedule of the Local Distribution Utility (the “LDC”). Atlantic is not affiliated with and does not represent the LDC. The amount of natural gas and/or electricity supplied under this Agreement is subject to change based upon data reflecting Customer’s consumption obtained by Atlantic or the LDC’s delivery schedule. The LDC will continue to deliver the natural gas and/or electricity supplied by Atlantic.

2. Term. The Term is as set forth on the Customer Disclosure Statement. The Term shall commence as of the date of the first meter reading following when the change of Customer’s provider to Atlantic is deemed effective by the LDC, and shall continue for the period designated in the Customer Disclosure Statement. The Term for the initial period is referred to as the “Initial Term”. Unless otherwise agreed to, upon completion of the Initial Term this Agreement will renew on a month-to-month basis with a monthly variable rate methodology with no change to the remaining terms (the “Renewal Term”). At least 30 days and no more than 60 days prior to the renewal date, Atlantic will notify Customer in writing of the terms of renewal of this Agreement and of the Customer’s right to renew, reject or renegotiate this Agreement. Customer shall have 3 business days from receipt of the first billing statement of the Renewal Term to reject renewal terms and cancel the renewal agreement. While receiving service on a month-to-month basis, such notification will be provided only for the first renewal occurring at the end of the Initial term, and Customer or Atlantic may cancel or terminate this Agreement by providing 30 days’ advance written notice of termination to the other party.

3. Right of Rescission. Customer may rescind this Agreement with no termination fee by calling Atlantic Energy at (800) 917-9133 within three business days of executing this agreement (if executed in person) or within three business days of receipt of confirmation (if enrolled online).

4. Pricing, Billing, and Termination. Unless otherwise agreed to in writing, the Price for services provided in this Agreement is set forth on the Customer Disclosure Statement. If there is a material adverse change in the business or financial condition of Customer (as determined by Atlantic at its discretion) or if Customer fails to meet its obligations under this Agreement or pay or post any required security deposit, then, in addition to any other remedies that it may have, Atlantic may terminate this Agreement upon 15 days’ written notice to Customer. The LDC will separately bill for, and Customer will be obligated to pay, all LDC delivery related rates and charges. Customer may receive a single bill for both commodity and delivery costs from either Atlantic or the LDC, or each of the LDC and Atlantic may invoice Customer separately. Atlantic may assign and sell Customer accounts receivable to the LDC. Failure by a customer to make full payment of Atlantic charges due on any consolidated bill prepared by the LDC for Atlantic will be grounds for disconnection of utility services in accordance with NYPSC rules and regulations on the termination of service to residential customers. Customer shall be liable for all costs of collection including the late payment interest rate set forth in this Agreement, reasonable attorneys’ fees (if suit is filed) and reasonable collection agency fees. A \$30 fee will be charged for all returned payments.

5. Assignment. Customer may not assign its interests in and delegate its obligations under this Agreement without the express written consent of Atlantic. Atlantic may sell, transfer, pledge, or assign the accounts, revenues, or proceeds hereof, in connection with any financing agreement or receivables purchase program, and may assign this Agreement to another energy supplier, energy services company or other entity as authorized by the DPS.

6. Information Release Authorization. Customer authorizes Atlantic to obtain and review information regarding Customer’s credit history from credit reporting agencies and the following information from the LDC: consumption history; billing determinants; account number; credit information; public assistance status; existence of medical emergencies, status as to whether Customer has a medical emergency, is human needs, elderly, blind or disabled and data applicable to cold weather periods under PSL § 32 (3); and information pertaining to PSL § 33, tax status and eligibility for economic development or other incentives. This information may be used by Atlantic to determine whether it will commence and/or continue to provide energy supply service to Customer and will not be disclosed to a third party unless required by law. Customer’s execution of this Agreement shall constitute authorization for the release of this information to Atlantic. This authorization will remain in effect during the Initial Term and any Renewal Term. Customer may rescind this authorization at any time by providing written notice thereof to Atlantic or by calling Atlantic at 1.800.917.9133. Atlantic reserves the right to cancel this Agreement in the event Customer rescinds the authorization.

8. Final Bill. Customer acknowledges that in the event of a cancellation or termination of this Agreement it may take several billing cycles for Customer to return to the LDC or another ESCO for supply service. Customer is liable for all Atlantic charges until Customer returns to the LDC or goes to another supplier. A final bill will be rendered within twenty (20) days after the final scheduled meter

reading or if access is unavailable, an estimate of consumption will be used in the final bill, which will be trued up subsequent to the final meter reading.
