ATLANTIC ENERGY MD, LLC - OHIO ELECTRICITY SUPPLY VARIABLE PRICE TERMS OF SERVICE COMMERCIAL CUSTOMERS

Background

This is an agreement between Atlantic Energy, LLC (“ATLANTIC”), a Competitive Retail Electricity Supplier (“CRES”), and the undersigned customer (“Customer”) under which Customer shall obtain electricity generation supply service and begin enrollment with ATLANTIC (the “Agreement”). ATLANTIC is certified by the Public Utilities Commission of Ohio (PUCO) to offer and supply electricity generation services in Ohio. Our certificate number for electricity supply is 16-1567—EL-CRS. You will continue to receive your bill from your Electric Distribution Company (EDC) for all electricity supply and delivery charges. Your EDC will continue to provide all emergency repairs and services. ATLANTIC is not affiliated with and does not represent your EDC.

1. Agreement to Sell and Purchase Energy. Subject to the terms and conditions of this Agreement, ATLANTIC agrees to sell and deliver, and Customer agrees to purchase and accept the quantity of electricity as necessary to meet Customer’s requirements based upon consumption data obtained by ATLANTIC from the EDC.

2. Right of Rescission. Your EDC will send you a notice to confirm your choice of Atlantic. You may cancel this Agreement with no penalty within seven calendar days after your EDC sends your enrollment confirmation by contacting your EDC.

3. Term. The Term shall commence as of the date of the first meter reading following when the change of Customer’s provider to Atlantic is deemed effective by the EDC, and shall continue for the period designated in the Customer Enrollment Form. The Term for the initial period is referred to as the “Initial Term”.

4. Agreement Expiration/Change in Terms. Unless otherwise agreed to, upon completion of an Initial Term, this Agreement will renew on a month-to-month basis with a monthly variable rate methodology with no change to the remaining terms. ATLANTIC will provide you with a written notice forty-five to ninety days prior to the expiration of this Agreement. If a customer switches back to the electric utility, they may or may not be served under the same rates, terms and conditions that apply to other customers served by the electric utility

5. Price and Billing. This is a variable price agreement. The price that you will pay per kWh for electricity generation supply may vary from month to month based on the following factors: ATLANTIC’s actual and estimated costs of obtaining wholesale electricity supply from PJM Interconnection, LLC (“PJM”), including but not limited to prior period adjustments, inventory and balancing costs, transportation and transmission costs incurred by ATLANTIC, and other market and business related factors such as administrative costs, expenses, and margins. There is no limit on the amount that your price can decrease or increase from month to month and there is no maximum price. Your ATLANTIC price includes transmission charges and estimated total state taxes (including Gross Receipts Tax), but excludes sales tax. ATLANTIC does not offer budget billing for the generation portion of the bill. Customer’s electric utility may charge switching fees. Customer has the right to request from ATLANTIC, twice within a twelve-month period, up to twenty four months of the customer’s payment history without charge.

6. Assignment. Customer may not assign its interests in and delegate its obligations under this Agreement without the express written consent of ATLANTIC. ATLANTIC may assign this Agreement to another energy supplier, energy services company or other entity authorized by the PUCO upon thirty (30) days prior written notice to customer.

7. Cancellation; A customer may cancel this Agreement by contacting ATLANTIC at (800) 917-9133 or by email at info@atlanticenergyco.com. If Customer who has received free LED bulbs or other products from Atlantic terminates this Agreement prior to the end of the Initial or Renewal Term, the Customer shall pay Atlantic a product fee. The product fee is calculated as the sum value of the retail price listed for each product provided to customer as listed in the LIGHTING SPECIFICATION IDENTIFICATION form. The product fee will be prorated to 25%, 50% or 75% after expiration of 18, 12 or 6 months of Initial Term, respectively. ATLANTIC may cancel this agreement at any time upon providing written notice to Customer. Common reasons for ATLANTIC to cancel this agreement would include: Non-Payment – If your electricity or natural gas service is terminated by your EDC or NGDC, then this agreement is cancelled on the date that your electric service is terminated. You will owe us for amounts unpaid for our charges for electricity generation and/or natural gas supply service up to the date of termination. Customer Move – If the customer moves from the address listed above, this agreement is cancelled. If we cancel this agreement for any reason other than for customer non-payment, we will follow applicable rules in providing notice to you.
